Directions to our offices are as follows:-

Take train from London Victoria Mainline Train Station to Sittingbourne, Kent. Fast trains take about 1 Hour and slow trains about 1 Hour and 20 minutes. There are about four trains per hour outside of the rush hour period (2 fast, 2 slow). Typical times from Victoria are as follows:-

Fast Trains

0904 London Victoria - Arrive Sittingbourne 1006

0934 London Victoria - Arrive Chatham 1037

Slow Trains

0908 London Victoria - Arrive Sittingbourne 1030

0934 London Victoria - Arrive Sittingbourne 1058

The slow trains call at all stations whereas the fast trains call at Bromley South, Rochester, Chatham, Gillingham, Rainham and Sittingbourne.

Once you arrive at Sittingbourne Station simply get a taxi and tell the driver to go to our address above. Alternatively, if walking, turn right out of the station and follow the main road for 400 yards to the set of traffic lights. Turn left under the railway arch and at the roundabout turn right onto Eurolink Way. Follow road for about ¼ mile to where the road bears left and follow round into Castle Road. About 100 yards on the left (just after the turning) and facing the road are two modern detached units, the right hand one of which is Castle Court.
